The peculiarity of the Quarter, located on Veerenni Street on the edge of the Tallinn City Centre, is the interior and nature of the real production building, which supports creative minds and enthusiastic companies. Built in the 1960's, the production building of the sewing factory has been completely renovated, with new life breathed into a unique office and commercial building. Here, all of the amenities make the best working environment – spacious offices, a large car park, cafes, a beauty salon, childcare, and a nice courtyard. E...

### Building

- An area with a unique and creative atmosphere on the outskirts of Tallinn's City Centre
- Fast connections to all city districts of Tallinn, both by car and public transport, are ensured
- Known for being home to the headquarters of both Bolt and Wise

### Parking

- Visitors can park free for 1 hour in the client car park
- Several parking options in private car parks in the neighbourhood

### Leased Premises

- Bright and open room without partitions, well suited not only for an office, but also a studio.
- Very affordable price
- The rental space is located in a private location, in the corner of the building, with views of Herne and Veerenni streets
- 24/7 access to the office space, via a door card outside of working hours
- Kawe's personal management service is included in the rental price
